Dear Clients:

In order to do our best to help slow the spread of the Coronavirus, we are closing our office effective immediately.

You can still drop off your tax information to us through our mail slot. You can also e-mail us your information, mail it, or fax it to us at 508-543-3980.

We will still be working remotely and will be available via e-mail at:

js@sheehanconsulting.com or Helaina@sheehanconsulting.com

All completed tax returns will now be mailed to you via Priority Mail when they are completed. You will need to sign the e-file authorization forms and return them to us before we can transmit your returns. You can return the forms to us via e-mail, mail or fax at 508-543-3980.

Payment for your return can be made via check or Venmo payment. If using Venmo, send the payment to jpscpa58.

Thank you and I hope you all stay safe and healthy during this crisis.

Sincerely,

Joe Sheehan
